

## Readers Choice: Best/Ugliest Uniform, Exhibit A & B

Friday, January 11, 2008

---

Yesterday we [launched](#) the first ever Readers' Choice poll where you, Eater's devoted readers, will choose **which LA restaurant staffers are best and worst dressed**. We laid out the rules and regulations, and most importantly, asked for photographic evidence of contenders. To really get the juices flowing, we thought we should show off the first and second submissions. On the left, we have **the Happy Ending servers in some sort of red hot-pant jumpsuits**. On the right, a lovely **LAMILL barista in what looks to be a stylish jersey top**. We'll reserve which is fugly or fabulous for the polls.

Deadline for submissions: January 24. Polling begins February 1.
